## Excerpt from *The Glorious Table Devotion: "Every Summer has a Story"* by Sarah Lundgren

As I look back at past summers, I see a trail of beautiful and bittersweet memories. The common thread is that every summer was unique and had its own tale to tell. Just as every *natural* summer has a story, so does every *spiritual* summer. We will each walk through the spiritual seasons many times. Autumn is a time of change. Winter is a time of barrenness and preparation. Spring is a time of rebirth. And summer is a time for bearing fruit and embracing the abundant life that surrounds us.

The key to embracing our spiritual summer, no matter what time of year it is in the natural, is to remember to seize the joy of the season. This is a time to feel the heavenly warmth on our face and revel in the beauty that surrounds us. Relax, have fun, celebrate, and abide in gratitude for the blessings that surround.

Summer is a season known for cultivating and bearing good fruit. Our spiritual fruit of love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control must also be cultivated. There is one sure way to do this, and that is to remember who our spiritual gardener is and to remain in Him always.

### Scripture for Reflection:

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing." (John 15:5 NIV)

"There is a time for everything, and a season for every activity under the heavens." (Ecclesiastes 3:1 NIV)

---

*Lord, thank you for the gift of summer. May we seize each moment of joy and remember that you are the true cultivator of our harvest and author of our stories. Amen.*

Program: Briercrest Bible College 84-86,  
University of Saskatchewan - Bachelor of  
Education 1990

Affiliations: Served in a variety of church and camp ministries, taught pre-school - Gr. 12 for 17 years, worked as a high school Guidance Counsellor for 15 years, Board Member of Leading Influence Ministries

Q: What was the most impactful class and why?

A: I don't want to pick just one. The immersion into solid Biblical teaching gave me the foundation to grow in my love with my Creator.

Q: What is your current career?

A: Principal at Briercrest Christian Academy (formerly Caronport High School)

Q: What has the impact of an "education that disciples" had on you and your career? How did the education you received at Briercrest prepare you for a life of service?

A: My time at Briercrest grounded me as to what I believed and why I believed it. It gave me opportunity to mature before entering a secular post-secondary and career path. I always knew I wanted to be an educator for my career and was willing to spend four years of schooling to reach that goal. More importantly, I knew I wanted to be a Christ follower for my entire life so spending two years at Briercrest firming my foundation was a wise investment.

Q: What is one word you would use to describe your time at Briercrest?

A: Foundational

Q: How are you serving your church and community?

A: I have had the privilege of serving in many roles in both church and camp ministries. Currently I am loving working and learning with Leading Influence Ministries (LIM). LIM provides excellence in chaplaincy care for elected leaders in Canada.

## YOUTH QUAKE 2024 EVENT SUMMARY:

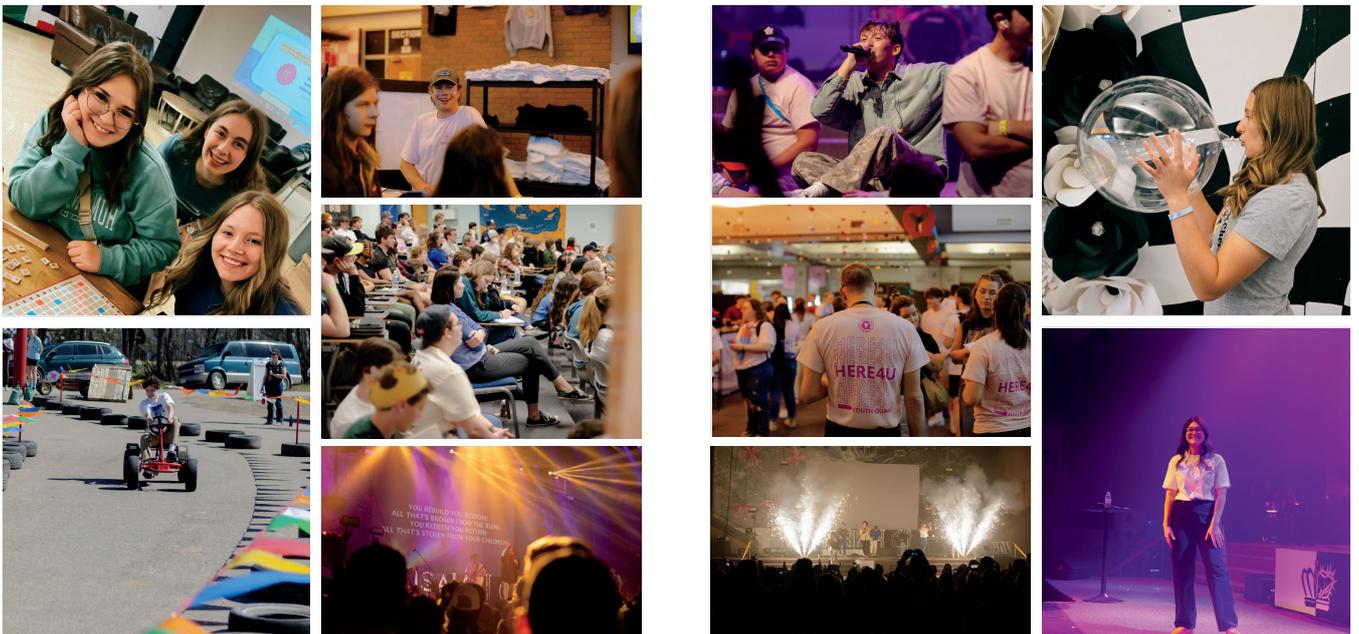

### ISAIAH 61

At Youth Quake 2024 we walked together through Isaiah 61. This chapter brings an amazing promise of hope, renewal, and empowerment through Jesus' life, death, and resurrection. It brings assurance in the work God has been doing since the beginning and how we can partner in bringing about His will when we put our faith in His plans. We explored how faith completely changes our lives, just like turning ashes into something beautiful or seeing renewal in what was once destroyed. At YQ24, we talked about what this passage means for us today and together continued to unpack how we can bring glory to the Father with our whole lives.

From our feedback survey we heard the following in response to the question, "What did God teach you?"

*"He really opened my eyes to give him my next yes, he's teaching me to be a disciple for him and live that out in my everyday walk in the light with him. He taught me that I cannot just acknowledge him from time to time but that I need to fully embrace his authority and if I believe it that I can't just sit on the edge of the fence but fully accept him and his word and let others see him through my actions. I truly want to be renewed in and through him." - SR High retreator*

With 1600 total registrations for SR High, and 587 registrations for JR High, we are so encouraged by the response of local and travelling youth groups who value these retreats and consider them to be an impactful event for their ministry. In 2023 we experienced successful community engagement with volunteer support supplemented by local churches and summer camps. This year expanded the outreach and are so grateful for the 135 volunteers for SR High, and 107 volunteers for JR High. Thank you to our internal and external volunteers for your help and continued support to make this ministry possible.

## BOARD OF DIRECTORS MISSION & DIRECTION

The Briercrest Board of Directors met recently on May 31-June 1, 2024, engaging in significant discussions regarding the mission and direction of our schools. This dedicated group of individuals, coming from across Canada, selflessly shares their time and wisdom to help govern and guide Briercrest. During the weekend, the Executive Lead Team shared a preliminary vision for the 10-year goals that will focus our initiatives for our 2025-2028 Strategic Plan. As we move forward, we ask for your prayers for these men and women, that God would grant discernment and grace as they serve the Lord in this way.

### CO-VOCATIONAL CANADA

## PROFESSIONAL DEVELOPMENT CERTIFICATIONS

Paul E. Magnus Centre for Leadership Studies is proud to announce three new certification training courses being offered this coming school year! Our P2T strategic planning certification will be happening from September 27-28 and from November 29-30 we will be hosting Men & Women Thriving Together in Leadership. Finally, our newest course, Transformational Sport Coaching, will be taking place on December 7-8. For registration information, please visit <https://www.briercrest.online/collections/leadership-studies-certificates>.

As well, Briercrest Seminary is pleased to introduce the formal launch of the Co-Vocational Canada project. This is a generously funded program that seeks to come alongside those who are considering or currently working in ministry while supporting themselves with a second career outside the church. As well, our project seeks to support congregations and denominations that serve pastors. Co-Vo Canada offers support and resources to aid ministry leaders and provide community support through courses, retreats, and virtual meetings. As one of the many platforms we offer, Sacred Side Hustle events will be taking place both online and in-person this coming fall!

Briercrest Giving Day

June 20, 2024

## How many of you have heard of the film *Prairie Fire*?

Back in the 1990's, a documentary on Briercrest was filmed and you will want to see who you know that was featured in this film. On June 20th, Briercrest is hosting a Giving Day. This will be your chance to see new videos all about BCA, the College and the Seminary as well as *Prairie Fire*, the Discipleship team and a fun bench press challenge by Dr. Rob Chartrand.

**To view these videos or to make a donation, please go to [www.briercrest.ca/givingday](http://www.briercrest.ca/givingday).**

Our goal for the day is to raise \$50,000 to help us eliminate some of our current year operating deficit that currently sits at over \$700,000. If you are a first-time donor or have not given in the last two years, we have a donor that is willing to match donations up to \$10,000. In other words your \$50 turns into \$100.

Thanks to those of you that do partner with us in prayer, in promoting our schools and in finances. Your partnership impacts hundreds of students every year.

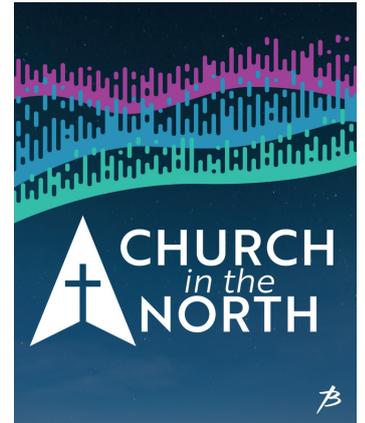

Thank you!

NEW PODCAST EPISODE:

## THE CANADIAN CLERGY SHORTAGE

What can be done about the Canadian clergy crisis? This week on the podcast, we have an in-studio conversation with Rob, Geoff, and Daniel Markin (Director of Marketing at Briercrest) about a recent article posted in *Faith Today* by Rick Hiemstra, "Waking Up to the Pastor Shortage." He predicts that Canadian evangelical churches will need to recruit 625 new pastors per year over the next 12 years just to replace the number of retiring pastors - and that does not include pastors leaving ministry for other reasons. You can find that article [here](#).

NEW BLOG POST FROM SEMINARY FACULTY MEMBER:

## STRATEGIES FOR RESILIENCE IN CO-VOCATIONAL MINISTRY

*Written by Margaret Clarke*

**Resilience is a dynamic and personalized process influenced by many factors. Dr. Margaret Clarke shares what her research reveals about pastoral resilience in the face of co-vocational ministry challenges.**

As healthcare workers, teachers, pastors, and others in ministry, we all share in the joys and challenges of our work. In this article, we delve into the challenges we face and explore strategies for building resilience, particularly for those of us who work co-vocationally (defined here as paid leadership in a church and paid work in one or more other contexts).

**AVANT MINISTRIES (MEXICO)**  
**Jim & Shari Cottrill**

In April we joined together with our sister church to celebrate their 14th anniversary together and baptismal service where nine people were baptized. Praise the Lord for His faithfulness!

We're almost finished our pastoral ministry classes in the institute. Jim had a chance to interact with our youth at a multi-church youth conference. Shari is one of the teachers of the women's Bible study. Praise the Lord for these opportunities!

We praise the Lord for the hard work our elders have done in training others for ministry. Please continue to pray for our health and wisdom as we teach from God's Word, that God would make more people more like His Son.

**WYCLIFFE - CANADA INSTITUTE OF LINGUISTICS**  
**Judy & Jeremy Haasdyk**

Thank you so much for praying for our recovery after the car accident we had late last fall. We are grateful for God's protection over the accident and in our healing.

With CanIL's fiscal year end, Jeremy has needed some extra endurance to keep up with deadlines. He is looking forward to being through the busiest work season in mid-June. Following the mental and spiritual wellness discussion group I led before Christmas, I have been able to spend time in other community life events. It has been exciting to see another group of students graduate, most of them making plans to work in Bible translation projects in minority language communities.

We are praying that this upcoming season will bring true rest and abundant life. All God's peace to you.

**WYCLIFFE (PAPUA NEW GUINEA)**  
**Murray & Carol Honsberger**

We praise God for all that He is doing in the community at Ukarumpa as we anticipate the worshipful Yäle dedication ceremony in the Nagatiman village. Please pray for the many preparations: a maintained airstrip for planes landing, unity in the dedication committee, transportation to the village for supplies, commitment to the translation work, and for the thanksgiving for the Lord's blessings we will share together. We will be sharing our video of the book of Mark with the Yäle language recording dubbed in.

**CHILD EVANGELISM FELLOWSHIP**  
**Carol King**

Please pray for our ministries in CEF Israel. With war causing the country to behave differently, there is tension with safety, increasing financial costs, and an unknown future. Pray for the schools, that are thankfully able to operate, and for our CEF members continuing to support families in need and transition. We also ask for prayer for the Christian Youth in Action training in Chicago, and that all volunteer vacancies can be filled to serve the teens. I have been busy preparing our Wordless Books, which I shared with our church's young kids, along with preparing many for a short-term missions trip to Africa soon.
